LESSON 7.9

PASSENGER SAFETY POSTER DESIGN

DIRECTIONS: Design a persuasive poster that encourages other students to practice safe and responsible passenger behaviors. You can focus on encouraging students to speak up if they feel unsafe OR promoting smart, respectful behavior as a passenger. Posters will be hung up around the school to spread your message!

YOUR POSTER SHOULD:

- Be colorful, bold and easy to read quickly.
- Use at least one visual element (drawing, symbol or image).
- Share a clear message about one of these ideas:
 - Why it's important to speak up if you feel unsafe as a passenger.
 - How to be a respectful, distraction-free passenger who helps the driver stay focused.

ANSWER THE QUESTIONS BELOW TO HELP YOU GET STARTED.

You will submit these with your poster design.

1. Which type of message do you want your poster to share?

Why it's important to speak up if you feel unsafe as a passenger.

How to be a respectful, distraction-free passenger who helps the driver stay focused.

2. What unsafe behaviors or situations will your poster warn about?

3. What are some ideas for words could you use on the poster? List at least three options.

4. What images or drawings could help your message stand out? List at least three options.
