## LESSON 8.6

# MYTHBUSTERS: STREET SMART EDITION

---

Work in a small group to investigate an assigned road safety myth. Your job is to figure out why people might believe it, see what the real facts are and explain the truth to the class.

### DIRECTIONS:

- Your group will be assigned a road safety myth.
- First, discuss why you think the myth is wrong.
- Then, do some research online to find the facts. Make sure to use reliable sources!
- Explain the truth to your classmates with a quick 2-3 minute summary.

# ANSWER THE QUESTIONS BELOW:

---

Your myth:

1. Why do you think people believe this myth?

2. Why is this myth wrong or unsafe?

3. What is the correct information or the safe behavior?

4. What sources did you find for this information? List at least two.

5. How do you know your sources are reliable?
