

**FRONT
NO-ZONE**
Directly in front
of the truck

**LEFT
NO-ZONE**
Along the driver's
side, especially near
the cab

**RIGHT
NO-ZONE**
The largest blind spot,
extending across
multiple lanes

**REAR
NO-ZONE**
Directly behind
the truck

MIRROR RULE:

If you can't see the driver's face
in their side mirror, they can't see you.

FORMULAS:

- A loaded large commercial vehicle at 65 mph needs up to 500 feet to stop.
- Apply the THREE-SECOND following distance rule and the 1-car-length-per-10-mph merging rule.
